

Finish The Wall

Mel Q • October 24, 2021

Wow what a show!

President Trump on Tuesday engaged in an extraordinary argument with Democratic congressional leaders over his demand for border-wall funding, threatening a government shutdown if he does not get the money.

"I will be the one to shut it down," he told House Minority Leader Nancy Pelosi (D-Calif.) and Senate Minority Leader Charles Schumer (D-N.Y.) at the White House.

During the contentious meeting in the Oval Office, Pelosi (D-Calif.) repeatedly asked Trump not to discuss the funding request in front of the news media.

"You will not win," Pelosi told Trump.

The meeting was scheduled to be closed to the press, but the White House unexpectedly opened it to reporters just as Pelosi and Schumer were arriving at the White House.

The exchanged heightened the sense of drama surrounding government-funding stalemate between Trump and Democrats.

"You will not win?" - Pelosi

You didn't think the largest MIL spending bill in history (FY 2019) wasn't going to [indirectly] include funding for the wall did you?

Learn the Constitution re: vested powers of POTUS re: matters of NAT SEC.

This was planned and forecasted as the 'border funding' solution from the beginning.

Anons had the proof long ago but shining a light back then would have defeated the primary purpose of showing the 'public' the real objective of D's (party of open borders/elim of ICE/elim of security/defend illegals over Americans _Midterm_elec).

(**President Trump is the Commander in Chief of the US Military. In the event of a terrorist attack or natural disaster (Solar CME) , the Insurrection Act allows the President to use the US Military as a police force. To ratify the powers of this, Act the President must first publish a proclamation order insurgent to disperse. On Jan 6, 2021 President Trump releases a video statement telling Capital protesters to stay peaceful. No violence. And to go home. He then tweets a similar message a half hour later.

We now know that Antifa and Black Lives Matters were part of the protesters that stormed that Capital building Jan 6, President Trump was actually telling these insurgents to disperse.**

This and the use of the Law of War manual will allow President Trump to use the Military to complete the takedown of Wallenberg, while at the same time showing the public the real objective of the Cabal>DeepState, part of which is human trafficking Who Funds MS13? – Telegraph)
